: This is a story that tells the true meaning of HELPER.
Before continuing, let's hope that God gives peace in this world
specifically to our siblings in Australia.

: In a forest, there lives a male kangaroo with his son, Mike.
They live side by side with other animals.

: One day, Mike's father wanted to go to buy food so
he said to Mike:

Mike's father: Mike... I will go buy food
so stay here and don't
go anywhere.

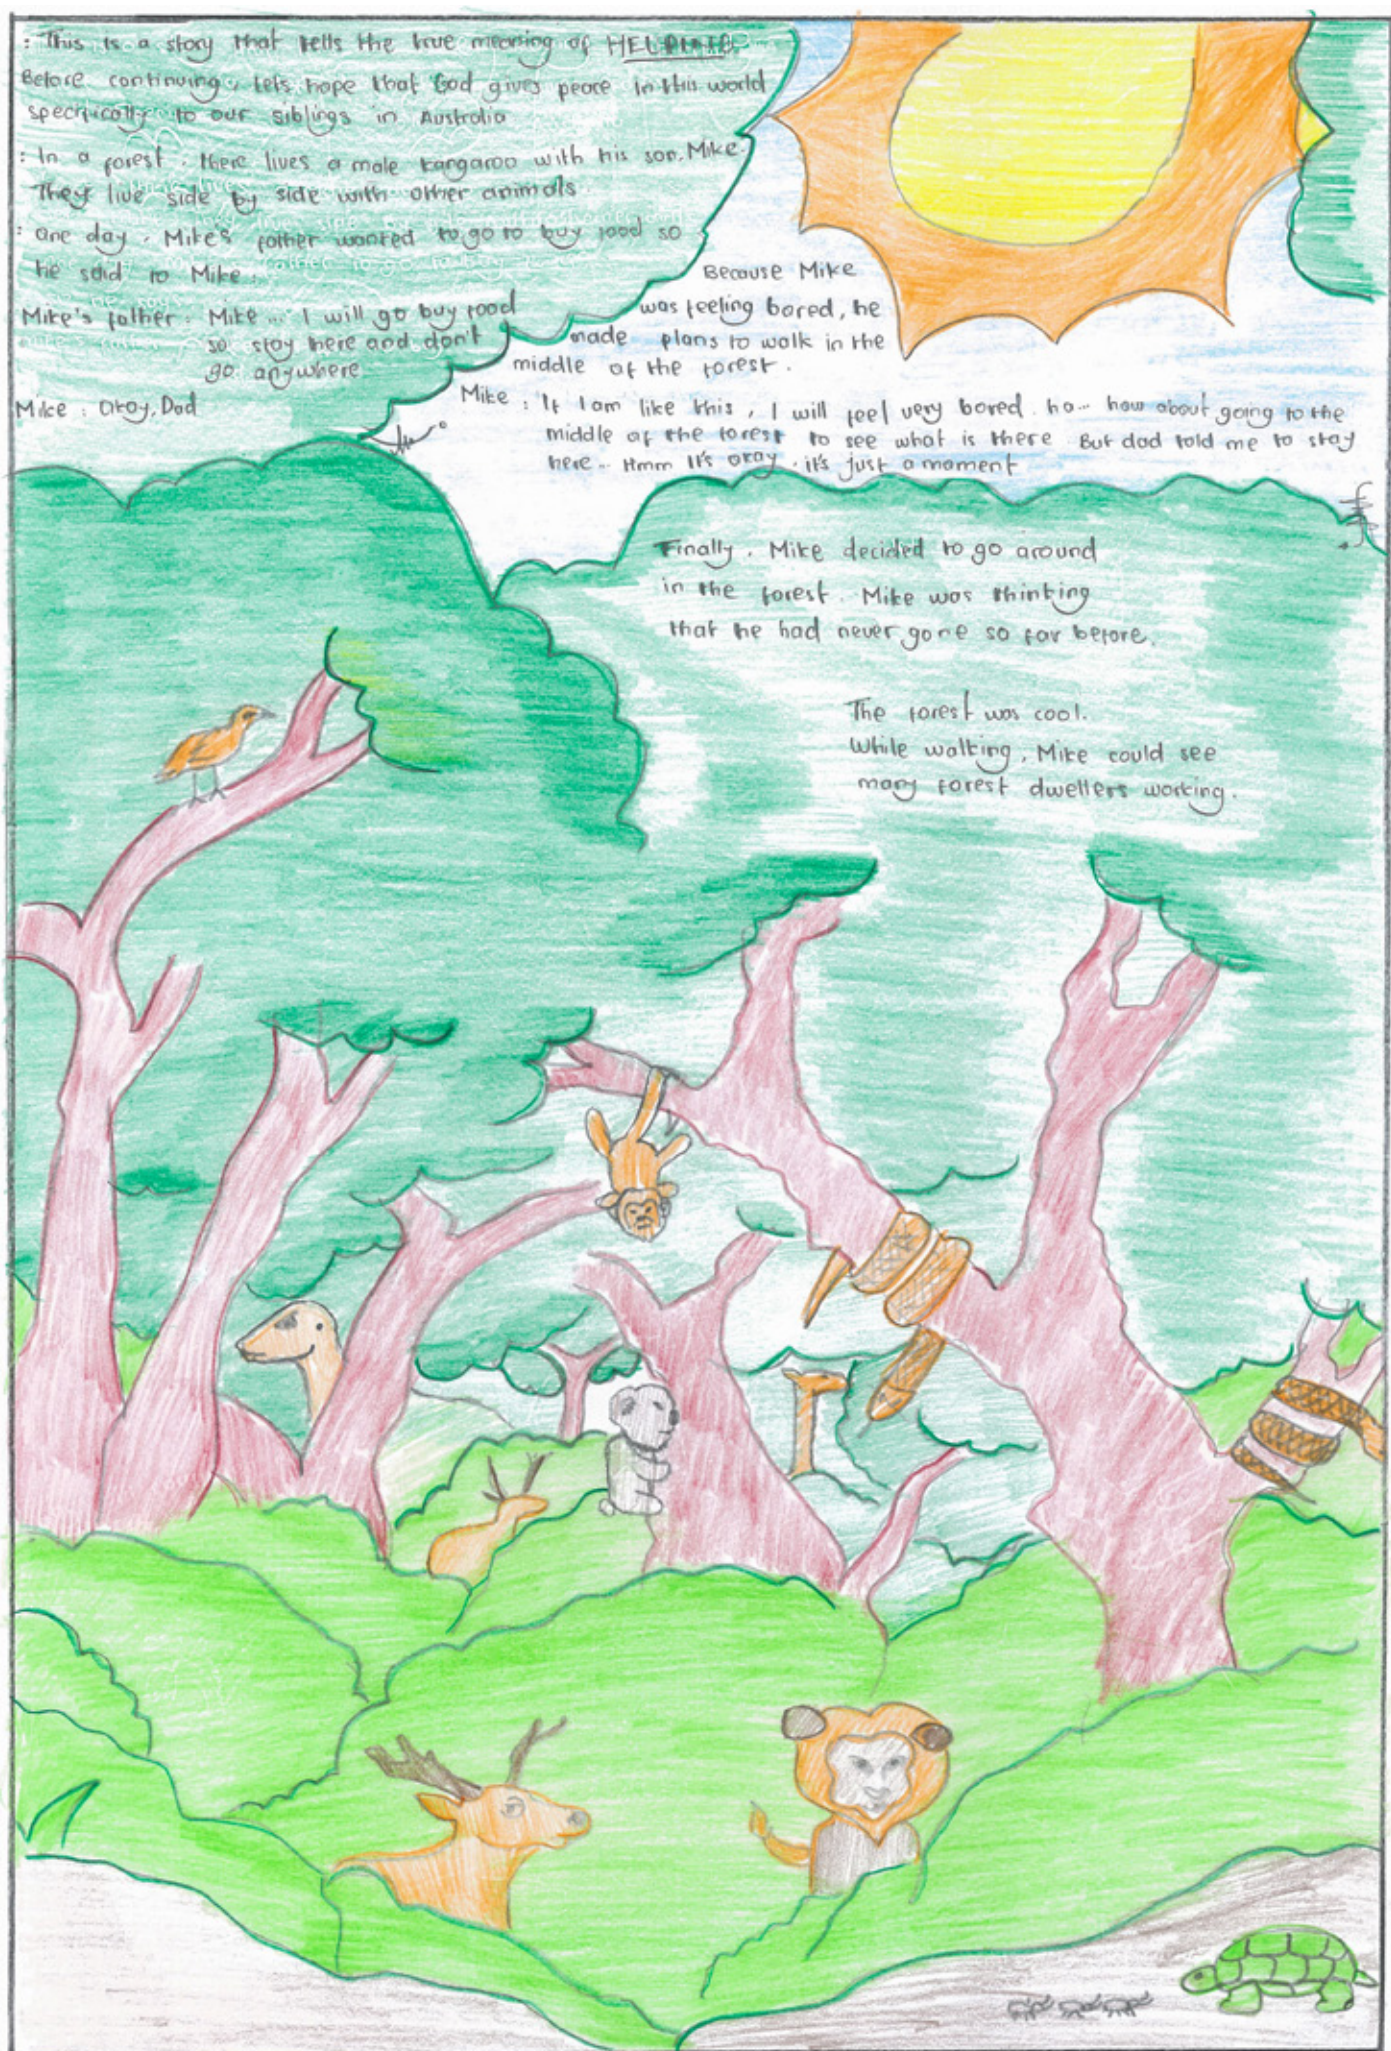

Mike: Okay, Dad.

Because Mike
was feeling bored, he
made plans to walk in the
middle of the forest.

Mike: If I am like this, I will feel very bored. ho... how about going to the
middle of the forest to see what is there. But dad told me to stay
here... Hmm it's okay, it's just a moment.

Finally, Mike decided to go around
in the forest. Mike was thinking
that he had never gone so far before.

The forest was cool.
While walking, Mike could see
many forest dwellers working.

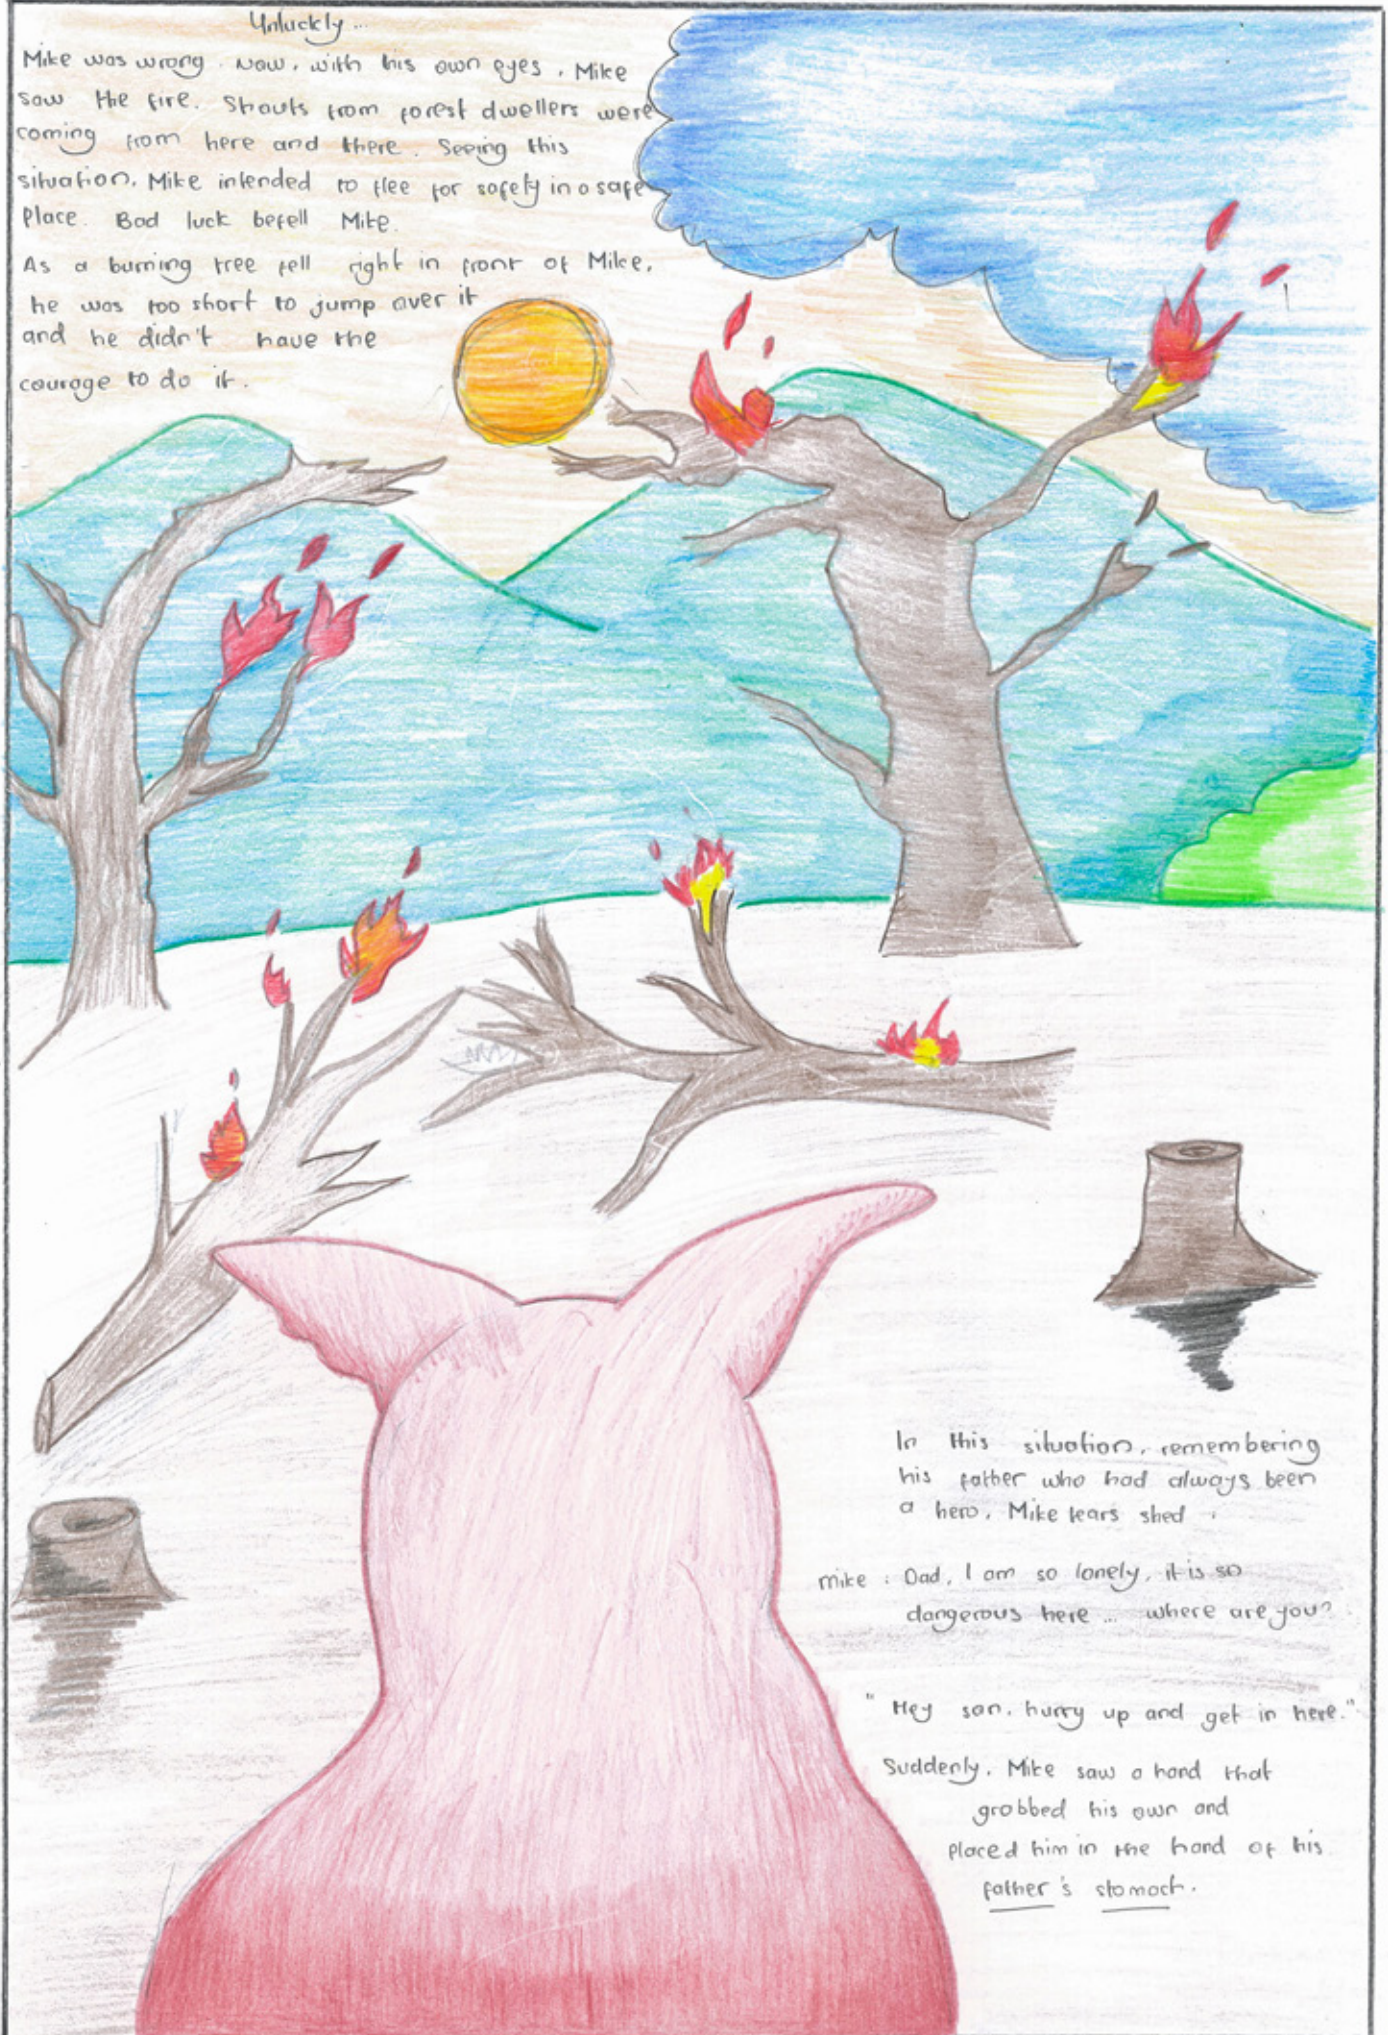

Unluckily...

Mike was wrong. Now, with his own eyes, Mike saw the fire. Shouts from forest dwellers were coming from here and there. Seeing this situation, Mike intended to flee for safety in a safe place. Bad luck befell Mike.

As a burning tree fell right in front of Mike, he was too short to jump over it and he didn't have the courage to do it.

In this situation, remembering his father who had always been a hero, Mike tears shed.

mike : Dad, I am so lonely, it is so dangerous here ... where are you?

" Hey son, hurry up and get in here."

Suddenly, Mike saw a hand that grabbed his own and placed him in the hand of his father's stomach.

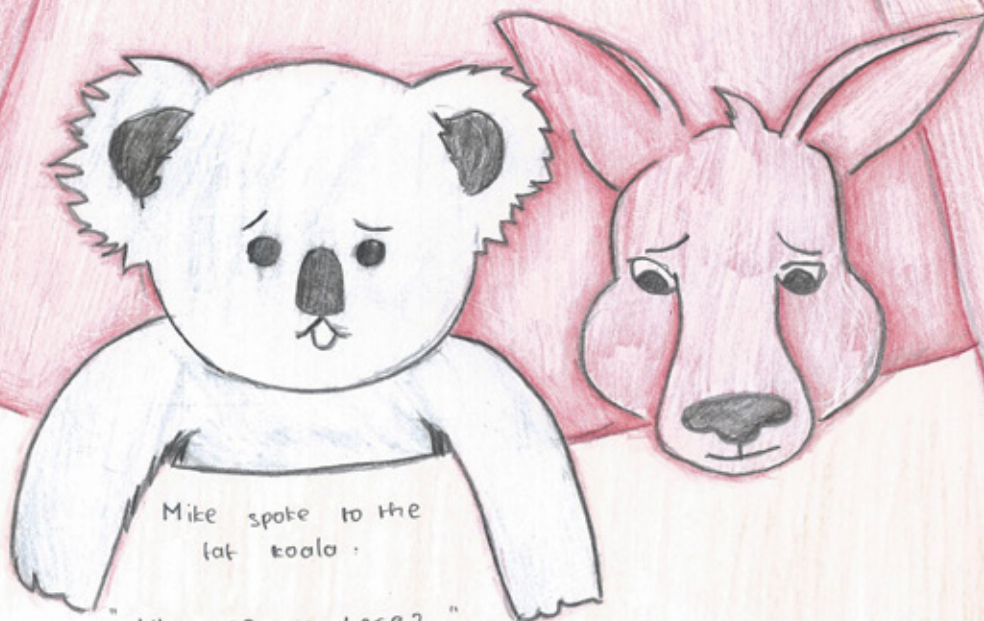

Mike : It feels cramped for me to be with him in here. Why did you bring this fat koala?

"Did Dad teach you to be like that? Right now, it's an emergency so be patient."

his Dad responded

"But, Dad ... I'm not comfortable. It felt very cramped here," Mike said

Mike's father ignored what Mike said and kept running in search of a safe place.

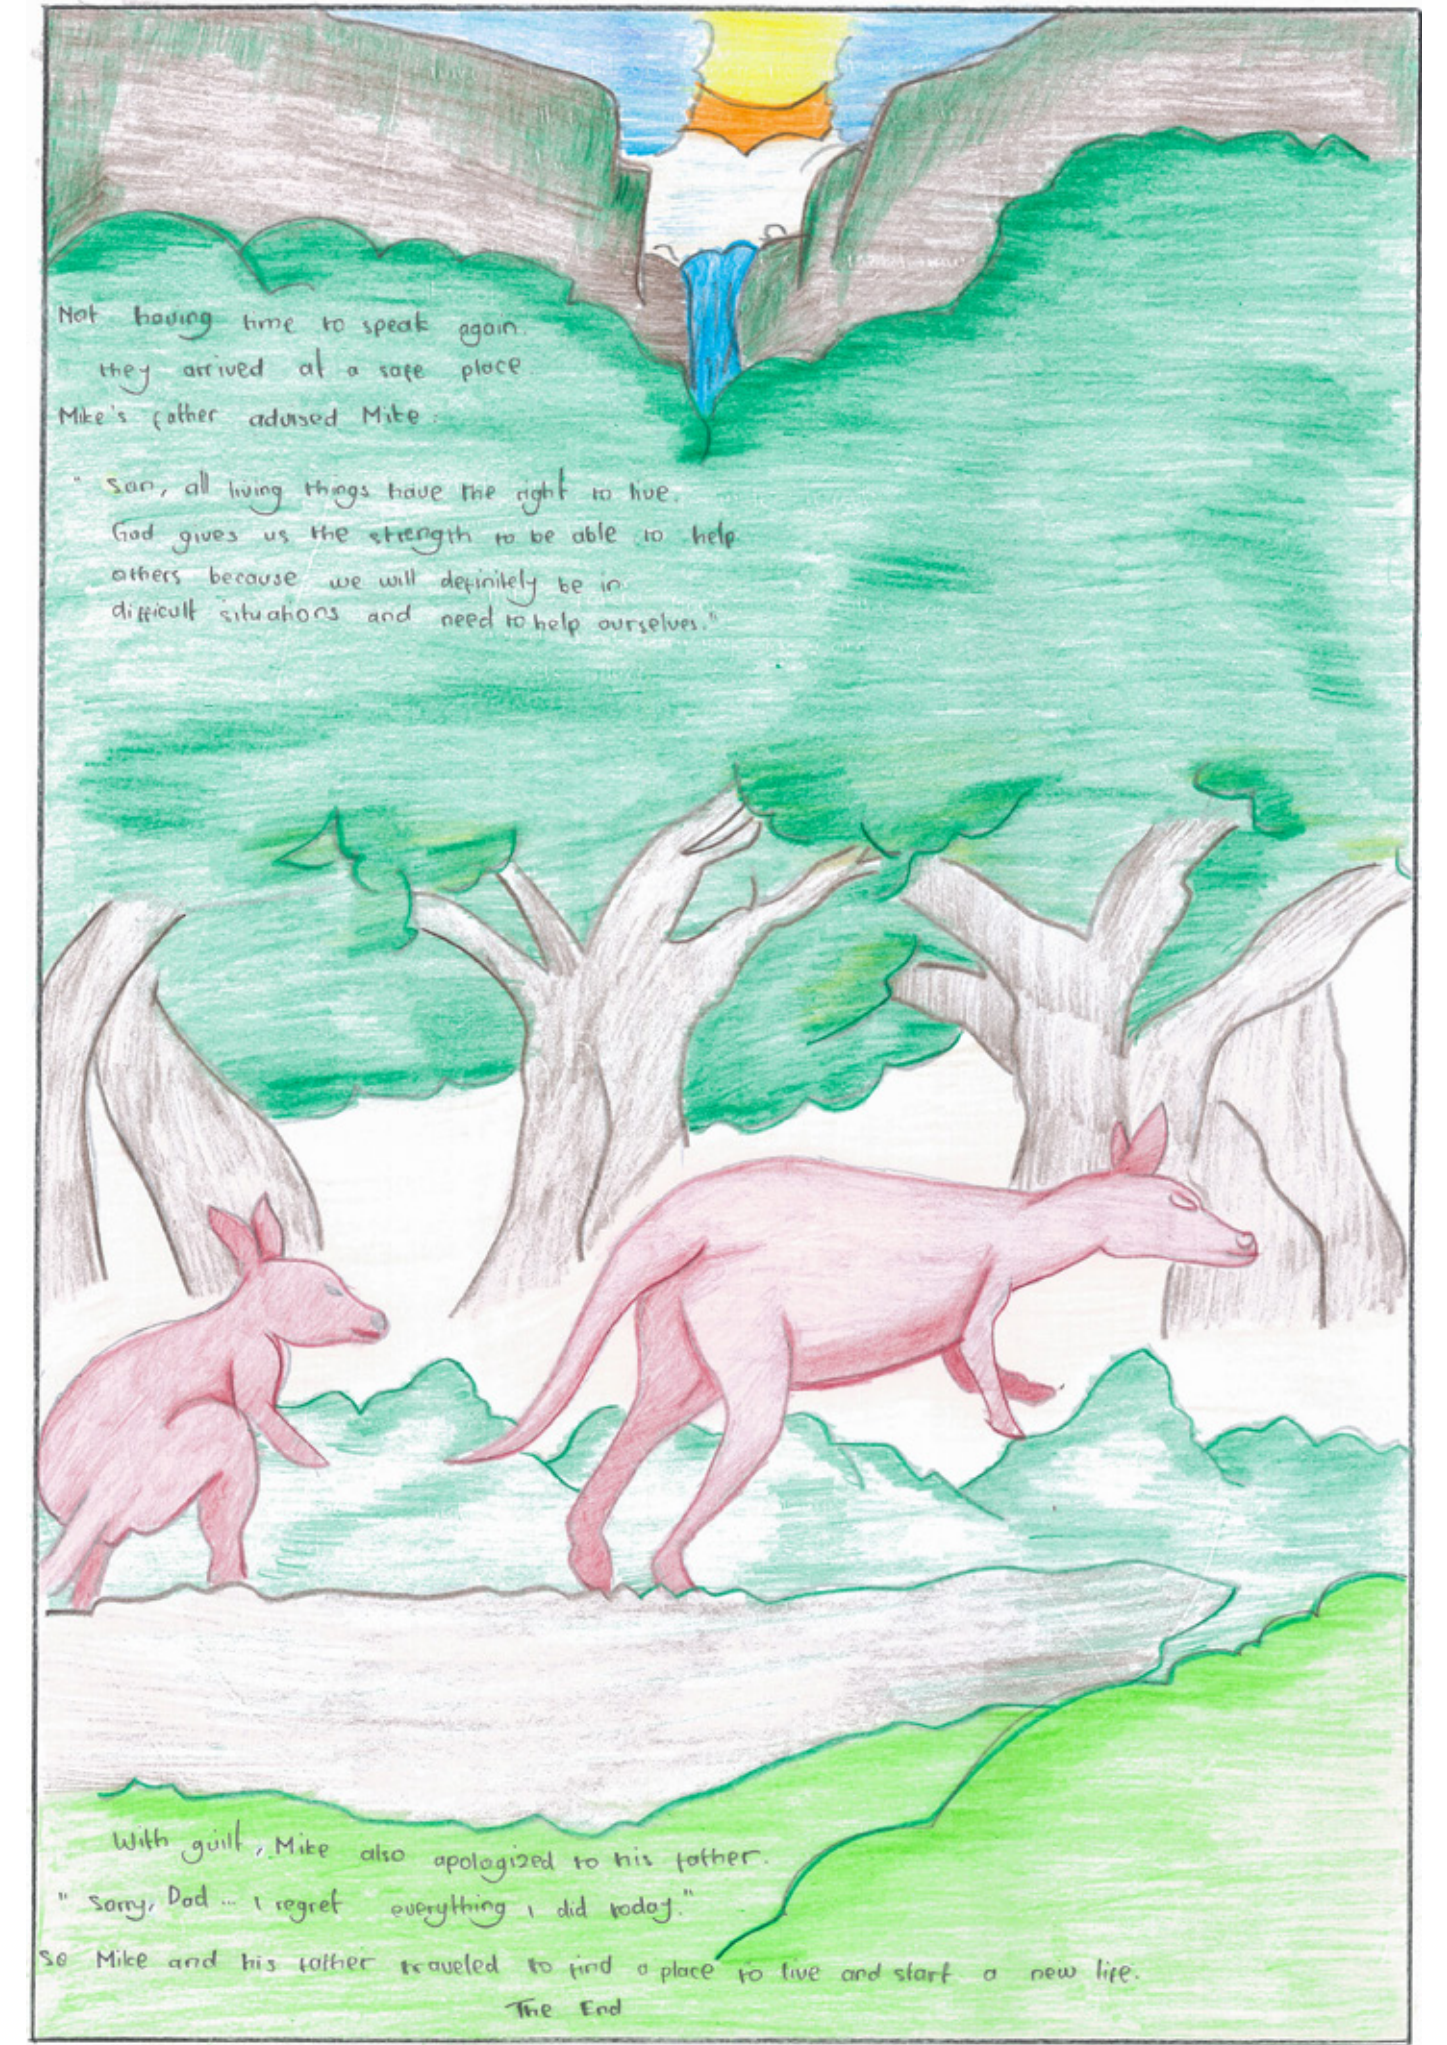

Mike spoke to the fat koala:

"Why are you here?"

"Forgive me ... Just when the fire started ... I was separated from my parents. I was confused about who to ask for help, when finally Mr Kongaroo passed by and saved my life."

the fat koala replied

Not having time to speak again,
they arrived at a safe place.
Mike's father advised Mike:

"Son, all living things have the right to live.
God gives us the strength to be able to help
others because we will definitely be in
difficult situations and need to help ourselves."

With guilt, Mike also apologized to his father.
"Sorry, Dad... I regret everything I did today."
So Mike and his father traveled to find a place to live and start a new life.
The End
