One day, there was a child who was born to a superhero. This child was born rather deformed. The child could only cry, cry, and cry. The cry of the child awoken the superhero who was very beautiful. The superhero was called Mom...

That superhero had a lot of strengths. She was strong like Thor. She was smart like Iron Man. She was good like Spiderman. Most importantly, she was beautiful like Wonder Woman...

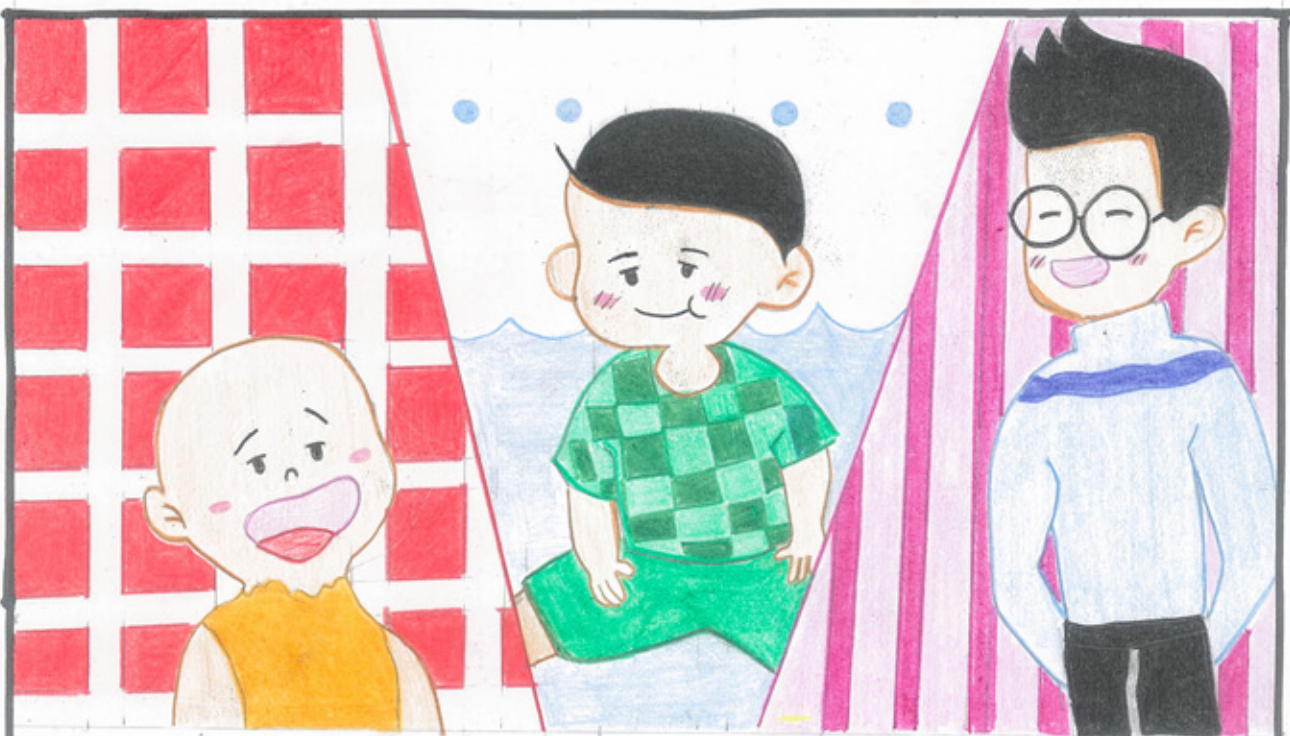

The hero went to the child and comforted him until the child looked happy. The child smiled at the hero, who was so happy. The hero also promised the child that she would care for and educate the child until adulthood...

Look at the child's smile ...  
The hero took the child to a small,  
pleasant house. The hero also took care  
of the child with LOVE ...

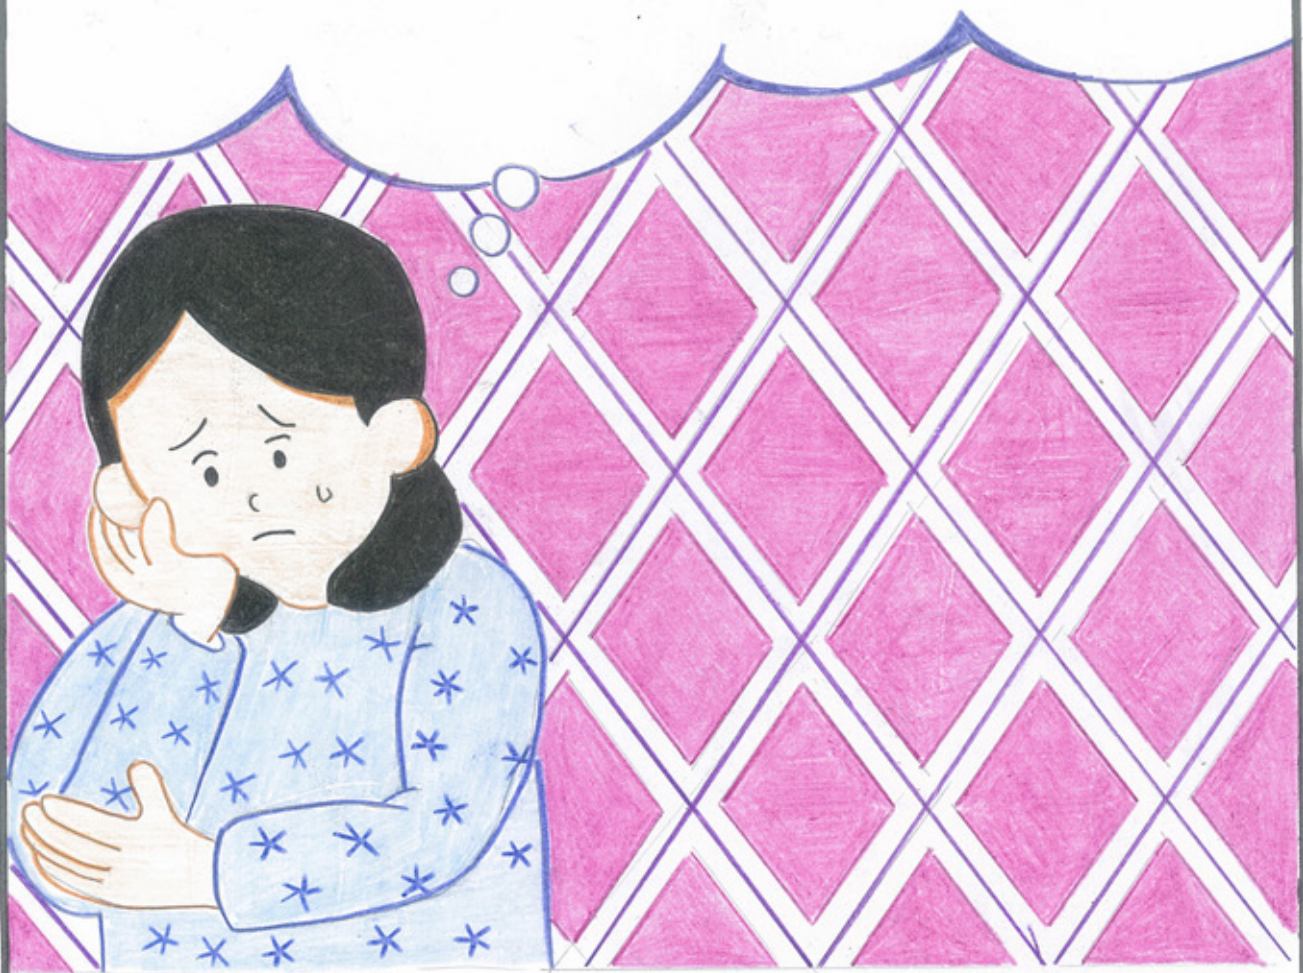

The days they passed together were full of excitement.  
She did not feel the child as an adult. As an adult, her  
naughty little boy would not listen to advice given by the hero...

Why is my child like this?...  
oh God! what should I do?...

The hero was so sad to see that, but  
the hero never gave up to look after and  
educate the child...

And at one time the child made a mistake  
and the hero gave advice, but the child did  
not listen until the hero was angry to see  
the child. The hero also thought about leaving  
the child, so that the child could live independently  
and realized his mistakes...

I don't want to stay with you and  
I will not see you again !

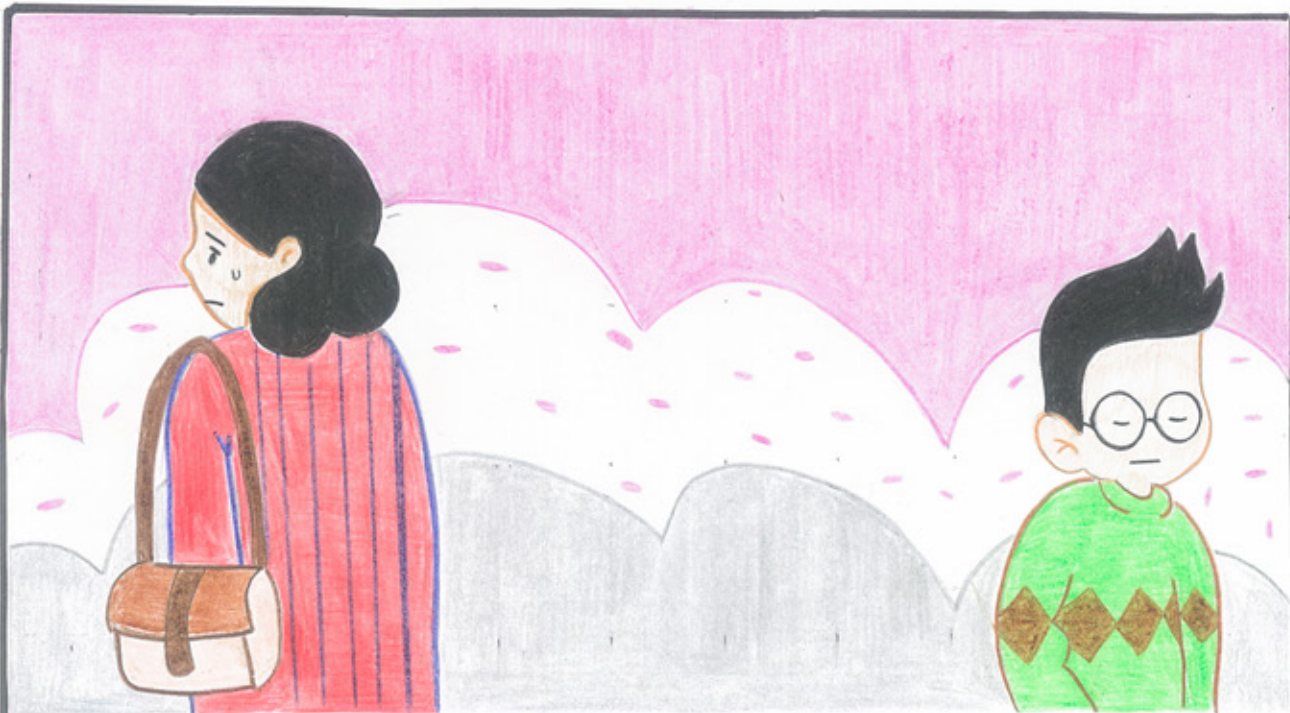

If that's what you want , I will leave  
the house . I hope you realize your  
mistake...

Leave Now !

I will go ...  
Take a good care of yourself...

One day, the hero left the child...

The child lived alone at home...

He tried to do things by himself,  
but the child could not ...

The child tried and always tried,  
but still could not ...

Then, the child realized that what the hero said was true...  
He was regretful and cried, bemoaning his mistakes in the house,  
and without realizing it said ...

Mom, I'm sorry...  
I miss you...

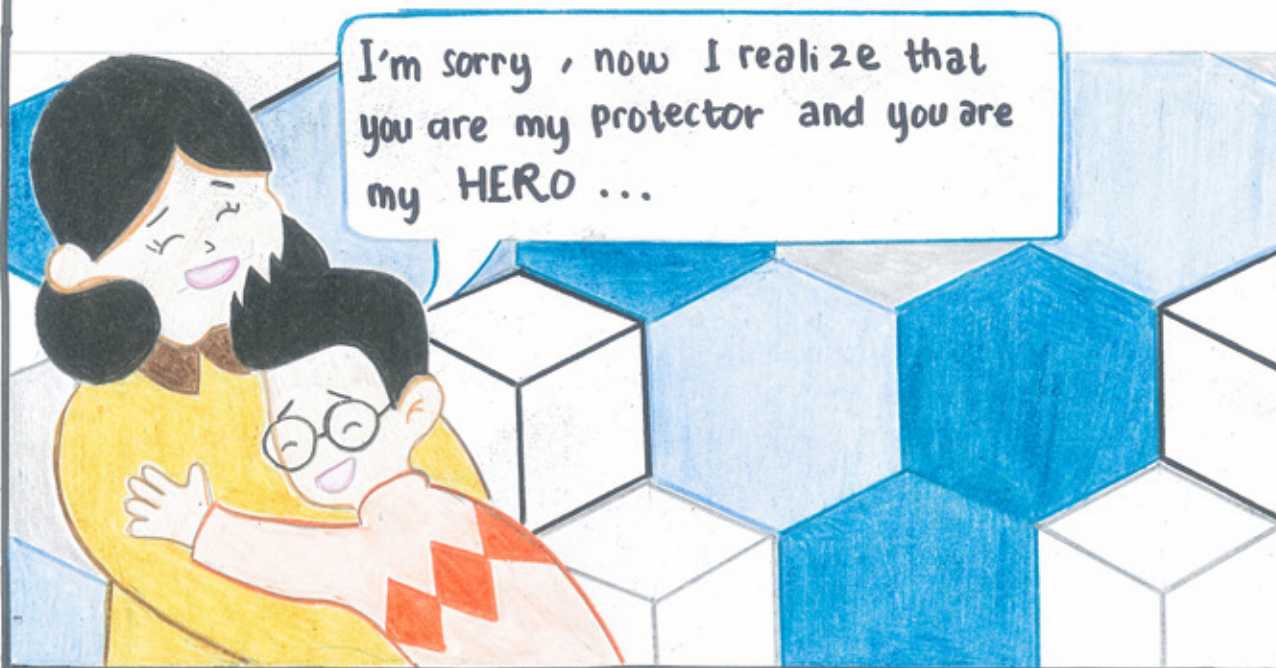

Someone knocked on the door. He opened the door while wiping away his tears...

It turned out who knocked on the door, was the hero.

Then, the child hugged the hero and apologized while saying,

And the hero said to the child,

Beautiful human being !

And they lived in a simple pleasant house .  
And the hero hugged the child.

The End -
