He was a scientist
when WW3 occurred.

He was buried deep in
the mountain with
very cold temperature

This event has wiped almost
the entire population of humanity.

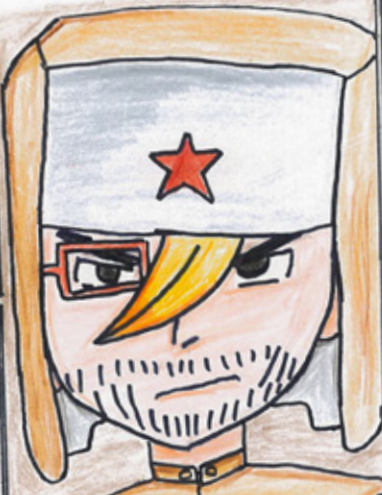

Act 2

After they introduced themselves, Isakov wanted to borrow a radio.

His name is Kamarov, the former soldier.

His name is Isakov, the former scientist.

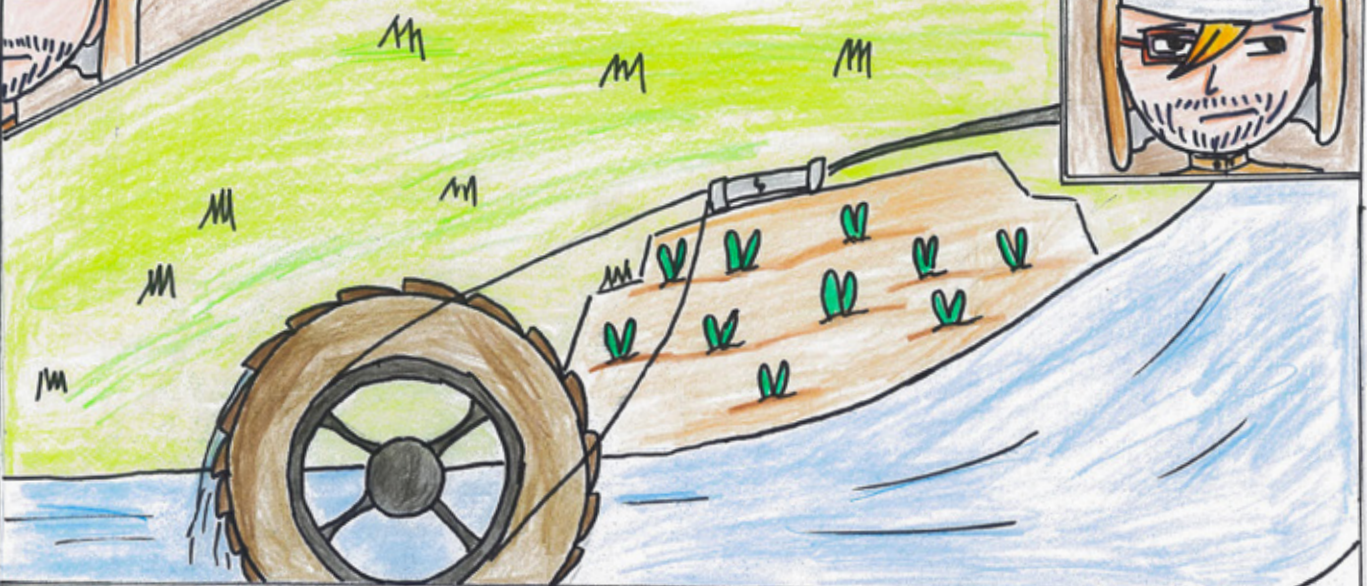

But there had been no electricity since four years ago. So, Isakov suggested to make a generator.

After Kamarov collected the materials Isakov requested, they made a waterwheel generator.

Kamarov was confused about Isakov's knowledge.

After that, the electricity in Kamarov's shelter then lighted up.

He planned to steal the generator and luckily, he had a big cart.

Sometime later, someone named Konev found out that Kamarov's shelter had electricity and became jealous of Isakov.

Act 4

When Kamarov and Isakov had lunch, Konev stole the generator. Kamarov found out about it and decided to investigate it with Isakov.

Isakov wanted to follow it.

They found a strange trail.

But Isakov had a great plan.

So, Kamarov agreed.

Kamarov tried to prevent Isakov

NO!

ORT

Konev confessed his crime.
Kamarov and Isakov felt
sympathetic.

They
interrogated
Konev.

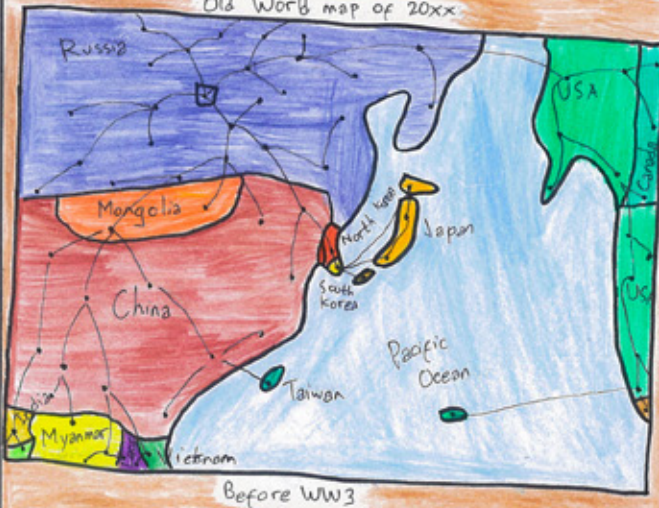

Act 6

It worked well and slowly the humanity
recovered.

Old World map of 20xx

Konev must spread
Isakov's knowledge
around the region.

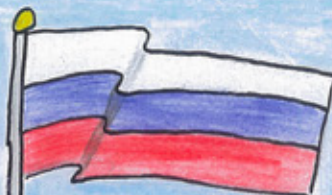

They made a deal.

Isakov got the title of "Technology reviver".

There were new nations with new territories.

"I know not with what weapons
World War III will be fought, but
World War IV will be fought with
sticks and stones."
